

Test Id	Test Description	Test Date	Expected Results	Actual Results	Pass/ Fail	Additional Notes
1	Sign-up test	13/10/25	User will successfully be logged into the system	User was successfully created and outputted 'USER CREATED SUCCESSFULLY' and redirected them to the logged in index page, the nav bar has not updated though. Audit page updated successfully	fail	Account was also added to the database, nav bar needs fixing for the post sign-up index page (redirected to login page, now functional)
2	Login test	13/10/25	User will login to the system successfully	The user successfully logged in to the system and the audit db was updated accordingly.	pass	Nav bar is working as intended on log in
3	Log out test	13/10/25	User will be logged out successfully and audit will update accordingly	User was logged out and sent back to the base index page with a text output telling them they were logged out, audit was updated..	pass	n/a
4	Appointment booking test	13/10/25	User will be allowed to book an appointment and database will be updated accordingly	Appointment booked and user set to a appointment booked page, the nav bar is incorrect and the functionality to show the date and time of the appointment doesn't exist yet.	fail	Nav bar needs fixing (now fixed), appointment system needs stuff fixing, especially adding all the time slots.
5	Sign-up test 2	13/10/25	After a successful sign up you will be redirected to the login page	User is redirected successfully	pass	n/a
6	Appointment test 2	13/10/25	After an appointment is booked you will be	As predicted	pass	Need to sort the times and booked page out.
